1) Be conducted in an orderly professional manner.
2) Not prohibit vehicular or pedestrian traffic.
3) Not interfere with classes, scheduled meetings, events, and ceremonies, or with other education processes of LBHC.
4) Not be held within LBHC buildings, residential areas, or on the ground of the LBHC campus without specific written authorization from the appropriate administrative official meaning the President’s Council for scheduling and assigning space in the desired facility.

Financial Responsibility
Students are expected to be financially responsible citizens. They are responsible for meeting their financial obligations to LBHC and the community. Students suspended from LBHC for misconduct reasons have no right to a refund or cancellation of amounts due. Students may also be denied enrollment from LBHC for failure to meet financial obligations.

CAMPUS SAFETY AND SECURITY
Each campus building has a Dean or Department Head responsible for campus safety and security. The Dean of Student Services must be notified in the case of criminal or drug/alcohol or controlled substances related activity, and verbal or physical harassment. Any threat to the personal safety of a student or college employee must be reported to the Dean of Student Services or to the President. If the activity is of a serious nature and administrators are unavailable, all college employees have the responsibility to contact the Crow Tribal Police and report the situation immediately, by dialing 9-911 from any campus phone or calling 406-638-2631.

Annual Crime Report
Pursuant to the 1990 Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, also known as the Student Right-to-Know Act, LBHC has made known to both students and employees the occurrence of specific crimes on campus as well as the surrounding area of Crow Agency. These annual campus crime reports display the number of arrests for liquor violations, drug-abuse violations, and weapons violations (see [www.lbhc.edu/cleryactcrimereport](http://www.lbhc.edu/cleryactcrimereport)).
Sexual Harassment
The “Campus Sex Crimes Prevention Act”, (section 1601 of Public Law 106-386 is a federal law enacted on October 28, 2001 that provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. The act amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act to require sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. The law requires that state procedures ensure that this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions of higher education are located and that it is entered into appropriate State records or data systems. These changes took effect October 28, 2002.

Violent and Sexual Offenders
If a student answers yes to the sexual/violent offender question on the admissions application the student will be required to submit to a background check at his/her own expense, and the student will be required to complete the Disclosure of Information Form. This form is an opportunity for the student to explain the circumstances of the arrest, indictment or conviction as well as any court action. The disclosure form must be completed by the student for review. Throughout the process of review, the student will be notified of his or her status.

Felony Convictions
If there is a record of a felony criminal charge, the Disclosure Form (found in Admissions) will be sent directly to the LBHC officials and reviewed by the Registrar on a case-by-case basis.

*It must be noted that a record of a felony may prohibit an individual from full acceptance into any program which requires licensure in their major field.

CONTROLLED SUBSTANCES
Alcohol and Drug Policy
In accordance with the federal Drug-Free Schools and Communities Act of 1989, LBHC prohibits the unlawful possession, use, or distribution of alcohol and illicit drugs by employees and its students on institutional property or at any of its activities.

The LBHC goal is to create an alcohol and drug free educational and community environment. The college recognizes the use of alcohol and drugs as a major barrier to academic success and has adopted an inclusive Alcohol and Drug-Free Policy, and mandates all students and employees sign the Zero Tolerance Agreement Forms. The College supports those who choose an alcohol and drug free lifestyle and those who are in recovery.

Standards of conduct, as outlined below, apply to all students, employees, and visitors at LBHC. The college prohibits the:

a. use, manufacture, sale, give away, barter, exchange, or distribution of alcohol, controlled substances or drug paraphernalia.

b. possession of alcohol or illicit drugs while on campus, involved in college activities, service projects, programs or work situations off campus.

c. presence at work, in the classrooms and campus facilities and events under the influence of alcohol or illicit drugs, that affect alertness, coordination, reaction, response, judgment, decision-making or safety.

LBHC imposes and enforces misconduct sanctions (consistent with local, state, and federal laws), relating to the unlawful possession, use, or distribution of alcohol and illicit drugs by its employees and students. Policy violations may result in misconduct action up to and including termination from employment or suspension or expulsion from the college. Students are referred to the LBHC Student Handbook, Section XI, B. Code of Conduct. Employees are referred to the LBHC Personnel Policies and Procedures Manual. Students/employees who violate this Zero Tolerance Policy will be referred to the local law enforcement.
Smoking and Chewing Tobacco
Smoking (cigarettes, e-cigarettes, pipes, and cigars) and chewing of tobacco is not allowed in any LBHC facility. According to federal regulation, smoking is prohibited within twenty-five (25) feet of a building entrance. The exception to the preceding is the appropriate use of tobacco and bona fide incense commonly used in Crow cultural activities.

STUDENT RECORDS
Academic records
Official academic records of each student’s scholastic achievement are kept on file in the admissions office, and include the following:
1. A signed “official class roll and final grade report” from the instructor of each class in which the student is enrolled each semester.
2. An “official academic record” for each student officially enrolled.
3. Directory information of a student currently enrolled.

Directory information is released in accordance with the Family Educational Rights and Privacy Act.

Transcripts
A transcript is a copy of the complete, unabridged educational record of a student who has been or is currently enrolled. It is issued only to the student upon the student’s written request. An official transcript is distinguished from an unofficial copy of the student’s record in that the official transcript carries the signature of the Registrar and bears the seal of LBHC.

Transcript request forms can be found in the registrar’s office or on the LBHC website: http://www.lbhc.edu/admissions/forms/official_trnscript_request.pdf

All official transcript request forms require the student’s signature, and a $3.00 transcript fee, which can be paid in the bookstore by credit/debit card, cash, or money order. Requests by mail will be paid with a money order only, payable to LBHC. Mail to: Little Big Horn College, with Attn Office of Registrar, P.O. box 370, Crow Agency, MT 59022..

Official Transcripts will not be released if a student has financial obligations to the College.

Privacy of Records
The Family Educational Rights and Privacy Act of 1974, as amended, is a federal law which states the institution must maintain the confidentiality of student education records. The college registrar’s office is responsible for the maintenance of accurate student academic records and for the use and release of information from these records. Only information authorized by the act will be released. No one outside the institutions shall have access to nor will the institution disclose any information from students’ education records without the written consent of the student except to personnel within the institution or to individuals and agencies as exempted under FERPA.
FINANCIAL AID
To apply for an FSA ID and determine eligibility for all financial aid programs and scholarships available at LBHC, students should complete the Free Application for Federal Student Aid (FAFSA) annually, available at [www.fafsa.ed.gov](http://www.fafsa.ed.gov), and list LBHC as a school choice on the FAFSA form step six. The LBHC school code is 016135.

LBHC has no deadlines or timeline for submitting FAFSAs. Students can submit FAFSAs until the end of the school year. The only timeline LBHC has is for submitting the American Indian College Fund application. Students and faculty are informed about upcoming deadlines through emails, signs on campus, and Cloudram.

**STUDENT SUPPORT SERVICES**

**Academic Advising**

The first-year experience coordinator advises first-time freshmen during new student orientation. The first-year experience coordinator and the student success coordinator administer placement testing to first-time freshmen. The admissions office provides the first-year experience coordinator with access to the student’s high school transcripts and placement testing scores and uses them to determine the student’s need for enrollment in developmental courses.

The first-year experience coordinator helps students select courses for their first semester. In selecting courses, they refer to the appropriate sample plan of study in the current LBHC catalog.

New students stay under the supervision of the first-year experience coordinator for their first semester. Students who must enroll in developmental courses have the option to stay with the coordinator through their second semester. New students who enroll in non-developmental courses are assigned a faculty advisor after the first semester based on their signed declaration of major form. The student is reassigned to the appropriate faculty advisor if they choose to change their major.

Returning students meet with their assigned faculty advisors overseeing the student’s declared program of study during the faculty member’s designated office hours. Faculty advisors also have access to students’ high school transcripts and placement testing scores, which are available in the students’ admission file.

While students are ultimately responsible for monitoring their academic progress, the student’s faculty advisor is responsible for providing guidance to the student in major and course selection. Faculty advisors monitor midterm and end-of-term progress. It is the student’s responsibility to schedule meetings with their faculty advisor and to monitor their progress toward course and degree completion. Faculty advisors evaluate the student’s grades, attendance, and course selection by referring to the plan of study. In addition, the faculty advisor also informs students of any internship opportunities, school-related information, and/or licensure requirements (when applicable).

Faculty advisors and the returning student begin a plan of study within their first advising meeting.

**Bookstore**

New and used (when available) textbooks for classes may be purchased at the LBHC bookstore. All textbooks and required learning materials sold in the bookstore must be applied to the student bill at the time of registration and are included in the student bill. It is a student responsibility to purchase assigned and required textbooks, to use these materials in the completion of each course and to have them for use in class sessions. Please note the bookstore is not obligated to repurchase books. Textbook charges vary depending on the number of courses taken and the number of textbooks used in each course.

Placement Testing
New Students and some transfer students are required to take the Accuplacer placement test prior to registration. Tests are given before registration each semester. The Accuplacer test is designed to ensure an appropriate level of placement in the areas of math, reading, and writing. Developmental courses are designed to help students develop the skills necessary to succeed in college-level course work. Credits earned in developmental courses may be used toward graduation but are not transferable and do not meet core requirements. If placement test scores indicate developmental classes are needed, the student’s program of study will require more than two years to complete. It is imperative that students work closely with their advisors.

Student Transportation Services
The Crow Tribal Transit System is free of charge to all LBHC students. LBHC and the Crow Tribal Transit Authority have a partnership which offers students transportation to and from Billings, Fort Smith, Hardin, Lodge Grass, Pryor, St. Xavier, and Wyola. Students commuting from these towns on and near the Crow Indian Reservation are provided a no-cost transportation option. Schedules and Student Passes for the Transit System are available in the Student Union Building at the Reception Desk.

Transfer Assistance
LBHC’s policy for the transfer of credits is designed to permit students to transfer in the maximum course credits earned from other accredited institutions. LBHC will accept for transfer all college level credits earned in undergraduate programs at institutions of higher education which are regionally, accredited or were regionally accredited when the student attended that institution including Tribal college and universities.

The student will be informed as to what transfer courses can be accepted toward the program of study and what courses must yet be completed for the degree. The registrar’s office will transfer all accepted credits to the student’s official LBHC academic record when the student has completed 10 semester credits at LBHC. Students wanting to transfer to another institution can seek guidance from the Student Success Center.

Tutoring
Tutors are trained to assist students in academic areas such as mathematics, physical science, social science, and writing. Students may request a tutor for their courses through the Title III Program, Student Success Center, or the course instructor. Tutoring is offered free of charge to all LBHC students.

Community Outreach
The function of the Community Outreach office includes contact with the broader Crow Indian community for the recruitment students. The Community Outreach Coordinator educates prospective students and their families about LBHC degree offerings and future careers.

The First-Year Experience Coordinator works closely with all first-time freshmen assisting them with placement testing, program of study planning, and teaches the ED 100 Skills for Success course. The First-Year Experience program focuses on two groups of students: traditional college-age and returning students. First-Year Experience students have the opportunity to learn the framework for success in college.

The Title III program provides support to both students and faculty. Title III offers two types of student employment each academic year: Tutors and Technical Assistants. Tutors are hired for many course subjects and Technical Assistants are hired to assist various LBHC departments with their daily tasks. The Title III program also provides free tutoring.

**POLICIES AND PROCEDURES**

**General Policy**
LBHC, like any community, must have regulations by which its members abide and procedures by which its organization functions. These regulations are necessary to provide a campus atmosphere conducive to the intellectual and personal development of all members of the LBHC community. When members of the Tribal College community break these rules and regulations, then the LBHC has a primary responsibility to provide educational consequences for those individuals and organizations that have failed to abide by reasonable standards of conduct. By enrolling at LBHC, a student does not surrender any rights; similarly, a registered organization does not give up any of its rights. Both organizations and students have a responsibility to balance these rights by abiding by the rules and regulations of LBHC. The Student Services Handbook contains policies that affect students and organizations. Within this Handbook and other official LBHC publications are the rules and regulations that govern student and organizational behavior.

**Misconduct Authority**
The authority to enact and enforce regulations of LBHC is vested in the Board of Trustees. The responsibility for enforcing regulations and imposing penalties is delegated to the President’s Council. The President of LBHC has drawn a distinction between academic and non-academic misconduct. The Office of the Dean of Student Services is the principal agency for the administration of student code compliance and shall implement the student code compliance procedures. All references to the President and or the Dean of Student Services shall also be interpreted to include persons designated to act on behalf of these officials.
Use of LBHC Space & Facilities
The space and facilities of LBHC are intended primarily for the support of the on-going instructional program of the institution. Second priority is given to programs sponsored and conducted by LBHC academic and administrative departments or organizations that are affiliated with such departments. Beyond these two priorities, use of campus space and facilities is permitted and encouraged for activities which are intended to serve or benefit the entire LBHC community, and which are sponsored by active chartered student organizations. For additional questions regarding facility use, please contact the Dean of Students Services at 638-3106.

No Solicitation or advertisements, no sales, or distribution of publications on the LBHC campus are permissible except as legitimate provisions granted by the Dean of Student Services, please visit the Dean for more information.
